

European Rope Skipping Championships 2013

A warm welcome to Aalborg

It is my great pleasure to welcome all of you to the European Rope Skipping Championship in Aalborg. We are very honored to host the very best rope skippers in Europe, your families, trainers and fans and we will do our very best to give you a good stay in the northern part of Denmark.

Aalborg is a city with a very strong tradition in hosting sports events and we do have a focused view on sport. We enjoy having people come to our city and we are quite proud to show all our facilities to our visitors.

Rope Skipping is quite big in Aalborg – especially because we have the Gug Rope Skipping Team in our city. They have been very good at promoting the sport and to be quite honest with you; I have to tell that we are very proud to have those fantastic girls in our city. They make people clap and smile wherever they are acting and showing their skills.

I know that everybody is here for the medals, but it is my hope, that you also find the time to discover our city and to enjoy the togetherness with all the participants from other countries.

It is my hope, that you will have a pleasant and fun stay in Aalborg – we have been looking very much forward to welcome you all.

Henning G. Jensen
Mayor of Aalborg

President's Message - European Rope Skipping Organisation

Dear Athletes, Coaches, Judges, Parents and Spectators

It is my pleasure, on behalf of the European Rope Skipping Organization, to welcome you all to Denmark where the first joint team and individual competition in Europe is being held. This event combines the 17th European Team Championships with the 10th European Masters. This is the fifth European Rope Skipping event to be held in Denmark and we are pleased to be back again, this time to Aalborg in the north of this beautiful country.

Once again the participation has increased, with skippers from 10 countries competing in 38 Championship teams, 40 Youth and Open Tournament teams and a total of 92 skippers in the European Masters and Individual Youth Tournament. As ERSO continues to grow, we are very pleased that competitors from two of our newer member countries, Czech Republic and Portugal, are competing this year and representatives from Estonia and Russia are also present. With 565 registered people, this is the largest European event since ERSO was founded 20 years ago. We look forward to three exciting competition days followed by the European camp, which will provide a platform for skippers from the various countries to skip and socialize together and exchange their experience and skills.

Although the athletes will no doubt be the center of attraction during this event, I would first like to express my sincere thanks to their coaches, who have spent many hours of their free time training the athletes you see here. In addition, we should thank the dedicated parents, for providing their sons and daughters with the support they require, to enable them to perform their much loved sport and travel to competitions. My special thanks go to the judges, for their commitment and fairness in deciding who the best performers are, and without whom such competitions could not be organized.

Please also allow me to congratulate and sincerely thank the Gug Rope Skipping Team and Aalborg Events for their excellent hospitality and the inexhaustible effort they have spent in hosting this great event. It will no doubt be a memorable one for all of us. I sincerely hope that everyone will thoroughly enjoy their stay in Aalborg.

Finally, I would like to wish our athletes exciting competitions, dominated by good sportsmanship, as we once again look forward to enjoy watching Rope Skipping at its finest.

Good luck to you all.

Richard Stannard, ERSO president

Welcome to Aalborg

On behalf of the Danish Gymnastics Federation, The Organizing Committee, the volunteers and everyone else involved in the European Rope Skipping Championships 2013 – Welcome to Aalborg.

Teams and Competitors

The following pages display the lists of teams and individual competitors, each with their unique team/competitor number. The order of the teams / competitors (from top to bottom) is the starting order in the corresponding competition.

Teams or competitors with grey boxes are NOT competing in these events.

Two sets of judges will be present for all team competitions. One set will judge the Single Rope Freestyles and the other set will judge the Double Dutch Freestyles. On the following pages the teams in each competition are listed in the starting order. Single Rope and Double Dutch freestyles will be jumped alternately. The letter (A or B) between the score boxes in the competition tables defines the freestyle order of each team, resulting in the following freestyle orders:

- The blue Teams with “A” between the Single Rope score boxes and “B” between the Double Dutch score boxes will jump both Single Rope events first followed by both Double Dutch events.
e.g. “1001 Denmark 32” will jump the order: SR pair, SR team, DD single, DD double
- The green Teams with “B” between the Single Rope score boxes and “A” between the Double Dutch score boxes will jump both Double Dutch events first followed by both Single Rope events.
e.g. “1002 Sweden 31” will jump the order: DD single, DD double, SR pair, SR team

The number above each Freestyle score box (e.g. SR1, SR2, or DD1, DD2,....) shows the order of freestyles judged by each set of judges.

The names of members of each team are shown below the corresponding score boxes

Two sets of Judges will also be present for the individual / Masters competitions, one for Male and the other for Female competitors. The order of the Masters Freestyles is as shown by the number to the right of each competitor table. Due to the fact that we have more Female competitors than Male, the first few Freestyles will be jumped only by Female competitors and all be judged by the judge panel 1. Later the Female and Male Freestyles will be jumped alternately.

General Competition Information

All competitions will be run in accordance with the ERSO Rule Book 2011-2013, which is based on the FISAC-IRSF Rule Book 2011-2012 with a few amendments.

Each Freestyle music CD is to be handed to the sound system operator shortly before the corresponding freestyle. **Please be sure to test all Freestyle music CDs on the competition sound system before the competition.**

All scores displayed during the competitions are unofficial. Preliminary results will be handed to the delegation leaders after each competition. If no objections are registered within one hour, these results will become final.

Team Competition Description and Scoring Principles

For each event, every country may enter up to 5 teams in each age division and gender category (Male, Female and Mixed). Each team may have 4 to 5 members and in the case of the Mixed teams, both genders must participate in each event jumped. Teams that jump all of the following 6 events will also be ranked in the overall Team competition results.

1. **Single Rope Speed and Double Under Relay:** 2 team members each skip 30 seconds of "Speed Step" and 2 further team members each skip 30 seconds of "Double Unders" (2 rope rotations per jump). The goal is to complete as many successful jumps in the time.
2. **Double Dutch Speed Relay:** 4 team members each skip 45 seconds of "Speed Step" in Double Dutch (2 long ropes being turned in opposite directions for the jumpers). The goal is to complete as many successful jumps in the time.
3. **Single Rope Pair Freestyle:** the goal is for 2 team members to complete a synchronized creative routine with as many correctly executed skills at the skippers' highest ability, using single ropes and within a 60 - 75 second time limit.
4. **Single Rope Team Freestyle:** the same goal as in Pair Freestyle, but with 4 team members.
5. **Double Dutch Single Freestyle:** the goal is for 3 team members to complete a creative routine in Double Dutch with as many correctly executed skills at the skippers' highest ability within a 60 – 75 second time limit.
6. **Double Dutch Pair Freestyle:** the same goal as in Single freestyle, but with 4 team members.

During the speed events, each skipper's jumps are counted by three judges and the results are averaged according to the rule book. Due to the immense speed of the skippers, only the right foot "Speed Step" jumps are counted. The number of counted Single Rope Jumps is multiplied by 3 and the number of Double Dutch jumps is multiplied by 2 to calculate the scores for the speed events.

The 4 freestyle events are each judged by a jury of 17 judges - the Single Rope events by one jury and the Double Dutch events by the second set of judges. In each case 5 judges rate the level of difficulty, 5 judges evaluate the presentation of the performance and a further 6 judges look for required elements and count the mistakes. The Head Judge also counts mistakes and checks for time and space violations.

For each freestyle, half of the penalties are deducted from the averaged difficulty score and the other half of the penalties are deducted from sum of the averaged presentation and required element scores. The reduced difficulty scores from all participants are ranked and the reduced presentation plus required element scores from all participants are also ranked. The sum of these two rankings determines the winning order in each individual event. The overall ranking per team is the sum of the individual rankings.

2 x 1 Minute Double Dutch Pair Speed: This Competition consists only of this one event. Each country may enter up to 3 teams in each age division and gender category (Male, Female and Open). Two team members swing the ropes and the other two each skip 1 minute of "Speed Step" in the Double Dutch ropes. The goal is to complete as many successful jumps in the time.

Individual / Masters Competition Description and Scoring Principles

For each event, every country may enter up to 5 skippers in each age division and gender category (Male, Female). Skippers that jump all of the following 3 events will also be ranked in the overall competition results:

1. **30 Seconds Speed - Sprint:** the goal is to complete as many successful "Speed Step" jumps in the time
2. **3 Minutes Speed - Endurance:** the same goal as 30 Seconds Speed
3. **Freestyle:** the goal is to complete a creative routine with as many correctly executed skills at the skippers' highest ability within a 60 – 75 second time limit.

The scoring principles are similar to those in the Team Competition.

Triple Unders - Power: This Competition is for 15+ only and consists only of this one event. Each country may enter up to 3 skippers in each gender category (Male and Female). The goal is to complete as many consecutive "Triple Unders" (3 rope rotations per jump) without stopping. Each skipper normally has only one attempt. If less than 30 are jumped a second attempt is permitted.
