FIG COACH'S BREVETS AND PINS

Dear Sir or Madam,

Enclosed you will find a letter of congratulations, the Brevet and pin for the coach(es) from your federation who have earned the FIG Coach's Brevet or the FIG Honorary Coach's Brevet in one or more of the six FIG disciplines.

This achievement is the highest coaching honor available from the FIG and was earned by your coach(es) through a combination of special pre-requisites based on competition results and achieving exceptional examination results of at least 85% at a Level 3 Academy or by serving as an expert for the majority of technical lectures at a Level 3 academy or by serving as a member of the FIG Academy Working Groups that developed and taught the curriculum for each discipline.

We ask that you please award the Brevet and pin to the coach(es). **In case the coach is deceased**, please send these items to his or her family which we are sure will much appreciate this posthumous recognition.

We would also like to thank your federation for having supported the FIG Academy Program with the attendance and participation of these super coaches.
